# 1 Background

Here you will find information about how cookies are used on the Draftit Privacy website.

On our websites ([www.draftitprivacy.com](http://www.draftitprivacy.com), [www.draftitprivacy.se](http://www.draftitprivacy.se), and [www.draftitprivacy.no](http://www.draftitprivacy.no)) we use cookies and other comparable techniques. The cookies we use collect information about your use of the sites and store the data in your device.

You need to allow the storage of cookies on your computer in order to use the Draftit Privacy website in the manner we intend. Cookies are used to give you access to various features as visitors. If you do not allow cookies, you will have a poorer user experience.

You can change your browser settings to allow or block cookies from being stored on your computer, and you can delete these cookies at any time from your computer.

## 1.1 Legal basis

Our legal basis for processing is our legitimate interest, motivated by our interest and need to keep statistics on site visitors, improve site and visitor experience, and be able to work effectively with troubleshooting and counteracting incidents.

# 2 About cookies

## 2.1 What is a cookie?

A cookie is a small text file that is saved onto your computer or portable device when you visit a website.

There are two types of cookies. One type saves a file for a longer period of time on your device. For example, it uses features that communicate what has changed since the user last visited the current site. The other type of cookies is called session cookies. While you are browsing a page, this cookie is temporarily stored in your computer's memory, for example, to keep track of which language you have chosen during a previous visit. Session cookies are not stored on your computer for a long time and are removed when you close your browser.

## 2.2 Your consent is required

You choose whether to approve cookies on your device or not. Your consent is required for the use of all cookies, but not for cookies that are necessary to enable the service that you as a user have requested.

## 2.3 WordPress cookies

The following cookies are set by WordPress and submitted by WordPress (CMS) and are critical to the functionality of our websites:

Cookie	Type
wordpress_test_cookie	Session cookie
wordpress_logged_in	Session cookie
wp-settings-1	expires in 1 year

## 2.4 Cookie Bar cookie

The following cookie is set by our cookie bar plugin, which checks to see if visitors have already accepted our cookie policy:

Cookie	Type
catAccCookies	expires in 1 year

## 2.5 Language management

Draftit Privacy uses an extension in WordPress to display the site depending on the language chosen by the visitor. The following cookie is used by Draftit Privacy:

Cookie	Type
pll_language	Used to display the user's selected language – expires after 1 year

## 2.6 Avoid cookies

You can apply settings on your computer if you do not want to accept cookies. This automatically denies the website from storing cookies onto your device or informs you each time a site requests to store a cookie. You can also delete previously stored cookies, through your web browser setting. See the browser's help pages for more information.

More information about cookies and electronic communications can be found on the [Swedish Post and Telecom Authority \(PTS\) website](#).

## 2.7 Your safety with us

Draftit Privacy has a data protection officer and a team of data protection specialists dealing with data protection issues. You may contact the DPO via e-mail [privacy@draftitprivacy.com](mailto:privacy@draftitprivacy.com). Draftit Privacy AB is the controller of the personal information we are processing about you.
